STATESVILLE, N. C.

IREDELL COUNTY

PREFACE

POPULATION: 1960 estimate population 21,000 within corporate limits and approximately 24,000 in metropolitan area.

RAILROADS: Southern and Alexander Railroad Companies.

HIGHWAYS: State Routes, Nos. 10, 26, 90 and 115; U. S. Routes, Nos. 21, 64 and 70; Interstate Routes Nos. 40, 77.

AVERAGE RAINFALL: 46.99.

AVERAGE TEMPERATURE: 59.30.

ELEVATION: 960 feet.

LOCATION

The City of Statesville is located in Western North Carolina, midway between Virginia and the South Carolina state line. It is the county seat and practically in the center of Iredell County which lies in the heart of the Piedmont industrial section of North Carolina. Charlotte is 40 miles to the south while Raleigh, the state capital, is 150 miles to the east. The surrounding country is high, rolling, well drained; drainage empties into the Catawba River some 10 miles to the Southwest. A perfect network of national and state hard surface highways radiate from Statesville, including routes from the Atlantic to the West Coast, Great Lakes to Florida, to Blowing Rock and mountain sections, and all points in and out of the state.

Bus service furnished by the Queen City Coach Company, Atlantic Greyhound and Parkway Bus Lines provide 76 daily schedules in all directions out of Statesville. City wide bus service by Statesville Motor Coach Company operating seven busses provide schedules 15 hours daily with special schedules to Troutman, Union Grove, Harmony and Taylorsville. Numerous motor truck lines operating out of and through Statesville, together with the Railway Express Company, provide frequent and rapid freight and express service.

CLIMATE

Statesville and the surrounding country enjoy the splendid climatic conditions of the well-known Piedmont Section. The high, plateau, protected by mountain ranges, provide a mild even climate, free from prolonged extremes of temperature, with generous but not excessive rainfall. There is no interference with outdoor activities from freezing

(Continued from page 7)

or snowfall. Destructive winds are practically unknown. The elevation and temperature combine to provide healthful living and industrial conditions.

BUSINESS INSTITUTIONS

Two state banks serving the local commercial and industrial requirements with an industrial bank for individual needs show resources of $114,041,478.22. In addition two building and loan associations have resources of $8,232,547.31 available for home and business construction. Some 305 retail and service establishments serve the city and a wide surrounding area.

RAIL TRANSPORTATION

Rail transportation service is afforded by the Southern Railway System and the Alexander Railroad. Connections at Spencer Transfer 30 miles to the east provide quick freight service to all the principal markets and to the southern coastal cities. Passenger train service is provided by convenient schedules. Excellent undeveloped industrial sites are available within or immediately outside the city limits with all utility services, highway and railway advantages.

LABOR

A splendid type of labor is available in this section. Over 100 manufacturing industries employ a large number of labor, male and female. A wide range of skilled classifications are included, for the reason that present industrial activities are widely diversified. However, the larger portion of the workers are experienced in textiles or woodworking, these being the predominating industries at present. The basic industry of Iredell County is farming and with the advent of the Carnation Condensery in 1939, dairying and cattle breeding has become a major agricultural industry.

A large potential labor supply is available in Statesville and immediate surrounding communities. Unskilled workers from this vicinity because of unusual intelligence are easily trained and make dependable, skilled workers. New industries can be staffed without importing workers from a distance. There is no labor disturbance or agitating elements in this area; destructive strikes are unknown. Manufacturing wages of course conform with the various national codes.

ELECTRIC POWER

Electric current for power and light is furnished to domestic and industrial users of Statesville from the vast power developments of the Duke Power Company with distribution through the City's Light and Power Department, up to and including 79,000,000 K. W. H. for the year of 1959. Power is brought into Statesville over three transmission lines

(Continued on page 10)

(Continued from page 9)

owned by the Duke Power Company and distributed over a new city electrical system costing over three-quarters of a million dollars.

FUEL

Coal for industrial purposes is available to Statesville from the Tennessee, Kentucky and West Virginia fields. Natural gas for domestic and industrial use is available through the Public Service Company of North Carolina from their local plant.

WATER SUPPLY

The city's water supply is taken from nearby creek and river, from which it is pumped to settling basins. The water after filtering passes to two elevated stand-pipes of 1,000,000 gallons capacity each. Present capacity of water plant is 4,500,000 gallons daily with 1,000,000 storage at plant.

SANITATION

Sewage facilities have now been extended to every section of the city and some areas outside the city. There are six lift stations and a modern sewage disposal plant, adequate for years, which treats and filters the sewage. This plant recently enlarged and modernized.

Scheduled garbage service, free of charge, is trucked out of city where it is buried in a sanitary fill.

TAXES

The city and county tax rates in effect in Statesville are moderate when the service to its citizens are considered. The city rate of $1.10 and the county 90¢ per hundred on an assessed valuation equivalent to 75 percent of estimated 1959 level. No special taxes. (1960 val. $65,000,000 estimated.)

EDUCATION

An excellent public educational system is maintained in Statesville. The grammar schools are housed in three modern, fire-proof buildings; fully accredited high school and junior high school housed in their own up-to-date buildings. Two schools are provided for those of the colored race. The total enrollment in these schools is 3,599 which is cared for by a teaching staff of 131 people. Statesville is the seat of Mitchell College, a co-educational institution sponsored by the Presbyterian Church and now is in its 97th year.

CHURCHES

All the principle religious faiths are represented by churches in Statesville for both white and colored citizens.

ATTITUDE TOWARD INDUSTRY

The City of Statesville is an old established community, its charter being dated January 9, 1847. While it is the present home of a number

of old and important industrial enterprises, its alert citizenry are alive to the advantages of further industrial development and the opportunities available here for new industrial activities. Prospective industrial undertakings will find local business men, as represented by an active, fully staffed Chamber of Commerce, eager to extend intelligent cooperation. No local government restrictions or handicaps are placed in the way of new enterprises, but on the other hand local government and business officials cooperate in planning favorable industrial surroundings.

CITY GOVERNMENT

The municipal government of the City of Statesville is maintained on the Council-Manager Plan, its body being composed of six Aldermen in addition to the Mayor. The city government protective services include well organized Police and Fire Departments, housed in new, modern buildings. The police force is composed of twenty-five full time paid day and night men selected through Civil Service appointment. The fire department maintains thirteen paid men and a volunteer corps. The equipment consists of two American-La France 1750 gallon combination pumpers, one Dodge 500 gallon pump and 400 gallon storage tank, one Dodge ladder truck and one American-La France hook and aerial ladder truck.

There are 340 fire hydrants in which full water pressure is constantly maintained. The city maintains some 57 miles of paved streets, complete with sidewalks. White way lighting is maintained on main street, and adequate lighting is provided throughout the city.

FOR DETAILED INFORMATION, address R. D. Warwick, General Manager, Statesville Chamber of Commerce, Statesville, N. C.

Section 28, Copyright Law

In Force July 7, 1909

That any person who wilfully and for profit shall infringe any copyright secured by this act, or who shall knowingly or wilfully aid or abet such infringement, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by imprisonment for not exceeding 1 year, or by a fine of not less than one hundred dollars nor more than one thousand dollars, or both, in the discretion of the court.

NAMES APPEARING IN BLACK LETTERS

IN THIS DIRECTORY are the names of those people who accomplish things and are entitled to favorable consideration, if for no other reason than their public-spirited support of measures which make for progress. They represent that energy and push so essential to the commercial prosperity of the City, and in dealing with them no mistake will be made. The publishers are honored in thus making them better known to the public.

WHEN YOU WANT TO KNOW:

—where a person lives.

—what his occupation is.

—who lives at a certain number on a street.

—where a street is located.

—the correct spelling of a name.

—the officers of a corporation.

—the partners in a firm.

—the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

—you can quickly find the answer in the City Directory.

Classified Business Directory

—OF—

STATESVILLE, N. C.

VOL. XXIII 1960 - 1961 VOL. XXIII

NOTE—Patronize those whose names are in large type, for they are the progressive ones, and generally leaders in their line.

☞ Index appears in front of special business headings only, for which an extra charge has been made.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

Street Directory

—OF—

STATESVILLE, N. C.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE
AND DENOTING BUSINESS PLACES

VOL. XXIII 1960 - 1961 VOL. XXIII

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(•)—Before name denotes home-owners.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

- **ONE-YEAR COMMERCIAL COURSE**
- **TWO-YEAR COMMERCIAL COURSE**
- **ONE AND TWO-YEAR BUSINESS MANAGEMENT COURSES**

This Publication is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and directory of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.
